Re: FOIA Request – Properties with Radioactive Slag in Western New York

To Whom It May Concern:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, Harter Secrest & Emery LLP hereby requests copies of United States Environmental Protection Agency records relating to the Emergency and Remedial Response Division's identification, evaluation, assessment, investigation and/or remediation of properties in Erie County and Niagara County, New York, where radioactive slag from the production of elemental phosphorous is known or believed to be located.

Please contact me at (585) 231-1449 or ttuori@hselaw.com before incurring any copying charges. Also, please let me know if you have any questions or require additional information about this request. Thank you.

Very truly yours,

Harter Secrest & Emery LLP
